Dinner at Australia Square’s revolving Summit Restaurant, sipping cocktails at the Chevron in Potts Point, hanging out at a Skyline drive-in ...

Mid-twentieth-century Sydneysiders embraced leisure like never before. *Leisure Space* details the architecture and design that transformed their city – through its new hotels, motels, restaurants, bars, clubs, shopping centres, drive-ins and golf courses, including landmark buildings such as the Gazebo and the Wentworth Hotel.

With stunning images from Max Dupain, Mark Strizic and other outstanding Australian photographers, *Leisure Space* explores a dynamic period in Sydney’s history and the dramatic impact of modernism on the city’s built environment.
